PRE-ADMISSION COUNSELLING-2022

For All General and Professional Courses

As the grant of Autonomous status to GDC Baramulla empowers the college to offer a varied range of choice-based General, Professional and Skill courses, the college is conducting a Pre-admission counselling program on the 4th of June 2022 to familiarize the student- community about the courses being offered and to facilitate their selection in the subjects of their own choice.

The session is aimed to acquaint the students regarding New Education Policy (NEP-2020) which provides a flexibility to students in terms of choosing the subjects at UG Level.

The students shall be facilitated to take a tour to the different departments of the college including the library and the centres offering skill-based courses.

A proper counselling shall be provided to the students as per their choice of subjects, keeping in view the future prospects of employability in both the government and the private sectors. Further, the feedback from the incumbents and the civil society shall be appreciated vis-a-vis the Autonomous status of the college.
