

COVID 19 FIGHT: An institutional accomplishment of Govt. Degree College Baramulla

As a joint fight by the nation against the deadly Corona virus, NSS and NCC Unit of Govt. Degree College Baramulla launched an awareness campaign in the college campus from 2nd week of March 2020 and the adopted village. The

incampus activities included awareness among staff and students from the prevention of the deadly virus, by way of direct communication, lectures, practical demonstrations and poster presentations.

The NSS and NCC teams lead by Programme officer Prof. A R Malik and ANO NCC Dr Tanveer Ahmad Bhat were deputed to the adopted village on 10th of April. All SOPs were followed during the course of activity. The whole team was laced with the protection gears while travelling towards the adopted village. A door to door awareness was made by the volunteers. The citizens of all the age groups were briefed about the preventive measures against the corona virus spread. More stress was laid to stay indoors and to avoid gatherings. Maintaining social distance and protection by way of wearing masks was demonstrated to the inhabitants. The villagers were

acquainted with the positives of revealing travel histories if any within or outside the country. To prevent and protect the human life from the deadly virus, role of health and hygiene was explained to all the households in the village. As an institutional social responsibility the team distributed sanitizers, masks and hand gloves among the villagers on behalf of the college administration. During the whole event the Sarpanj and the village head accompanied the COVID 19 Fight Team of the college till the awareness reached to every citizen of the village. The villagers hailed the efforts and concerns of the Degree college Baramulla towards the village community in this hour of crisis.
